

Paddy's

Paddy's Bar & Grill has issued the following statement regarding Paddy's Annual St Patrick's Day Festival benefiting the Children's Cancer Association:

"Due to dynamic circumstances beyond our control, we are complying with new state mandates and will be closing Paddy's Bar & Grill to the public effective Tuesday, March 17th, 2020 for at least the next 4 weeks.

We will be shifting all St Patrick's Day celebrations to TONIGHT, March 16th, 2020 at Paddy's Bar & Grill. We are working to secure entertainment as we speak. We invite our valuable sponsors and patrons to join us for one last night to celebrate St Patrick's Day and our annual fundraiser for the Children's Cancer Association.

We will be limiting our guest count to 158 people in line with our occupancy, also adhering to the 250 capacity cap effective until March 17th.

Thanks to our generous event sponsors, we will still be able to raise much-needed funds for the Children's Cancer Association and are very grateful.

While we are very disappointed that we won't be able to host our annual event at full scale, we feel this is the right course of action for the health and safety of our community."
